Be fully prepared with the largest selection of lambing supplies in the area! From trusted essentials to innovative new products like No Bacz navel dip/spray and Bess lamb feeding bottles, we've got everything you need.

New this season – loyalty cards for Ewe Reka Lamb Milk Replacer, the original ewe's milk-based formula. Plus, when you purchase from our wide range of UF Country products, you could qualify for a limited-edition EoSf/UF Country embroidered navy gilet! Pop in store or give us a call for more details.

SPRING INTO ACTION WITH FRESH ARRIVALS!

Get ready for the new season with our latest deliveries! We've stocked up on your favourite planters and composts, all at everyday low prices or fantastic multibuy deals. Looking to grow your own? We have a great selection of Unwins seeds, locally sourced seed potatoes, and everything you need to get planting. Plus, don't forget our range of essential tools, along with lotions and potions to keep your garden looking its best.

Protect lambs and calves with a rapid setting, long-lasting solution for navel dipping

ARE YOU RODENT READY FOR 2026?

New legislation and new regulations surrounding the purchase and use of professional rodenticides are coming into force by 2026 and you must be certified to manage rodents from this date forward.

We are looking at holding a course to help our members and customers gain certification for this later in the year. Please register your interest in this and how many places with Rab

NEW! TUBBY FROBUT + IMUHERB 14KG

What is it? This product is a concentrated health lick to support lambs with Orf and when gut health is challenged. The combination of plant extracts builds up a natural resistance against parasitic attack within the animal and is proven to improve youngstock health and performance.

Suitable for all lambs from newborn to hoggs.
1 tub per 25 lambs for 4-6 weeks
