## March 2026

*East of Scotland Farmers - At the heart of farming in Strathmore, but not just for farmers...*

### LAMBING ROADSHOW

A huge thank you to everyone who attended the launch of our **NEW Strath + Lamb Colostrum**. We were absolutely blown away by the incredible response and by everyone who came out to support us. It was fantastic to see so many of you there, and we truly appreciate the time you took to join us and learn more about this exciting new colostrum.

A huge thank you to **Ross Sibbald (Rumenco)**, **Jane Moodie (Nettex)** and **Ann Van Eetvelt (The Lurgan Sheep Vet)** for being our guest speakers at the Lambing Roadshow. We're incredibly grateful for their time, expertise and insight they each shared. We hope everyone who attended learned something valuable to take away and put into practice this lambing season.

We'd also like to extend a big thank you to **RSABI** for bringing along their pop-up Health Hut and providing support and resources on the night. We truly appreciate everyone who helped make the evening such a success.
